BOUNDARY COUNTY
Public Information
Press Release 4-4-19

Sheriff Kramer reports there was an Executive order signed regarding bump stocks. To clarify any questions regarding this Executive order, the Boundary County Sheriff's Office will not accept Bump stocks being dropped off, nor will be involved in the confiscation of bump stocks.

If people have a question regarding bump stocks we recommend that they direct their questions to the ATF.

In fact Idaho code 18-3315B prohibits any employee of the State or political subdivision to knowingly and willfully order the enforcement of a federal executive order or law on a firearm.
