BOUNDARY COUNTY Public Information

Press Release 9-10-18

With the start of school it is a good reminder to have a discussion with your teenage drivers, and also to pay attention with your driving, don't be a distracted driver. We encourage all drivers to be extra alert for kids, to pull off to a safe spot to answer or txt on the phone and not to do that while driving.

The information below gives a good link to a contract that parents and teen drivers can review and sign; it is a great starting point for having that discussion and expectations with your children.
